Maps

- Swimming in Kótró Lake 2 x 1270 m laps counterclockwise. Short run after each lap on the beach. (After swim put Neopren and swimming goggles into the bag in transition tent and put the bag into collecting place! – it will be transported to Nagyatád race center)
- Kayak: on Kótró Lake, 12 x 1,6 km laps counterclockwise (around the island) After kayak put your kayak equipment (if you have, except paddles) eg shoes for kayaking or hat, in a bag and put the bag into collecting place!.– it will be transported to Nagyatád race center
- Cycling on the roads from Gyékényes to Nagyatád (turning to Somogyudvarhely and Tarany) 60 km on closed roads.
- Running (Running shoes has to be put in a bag and placed in the Nagyatád depo on Friday!) in Nagyatád 4 x 5,25 km (flat)
- Lake can be rather wavy in case of windy weather conditions!

Swimming and kayak course:

Transition Gyékényes:

You always have to go through the changing tent (Öltözősátor)! After the swimming part you have to put your swimming equipment in a bag and put the bag into collecting place!. *Way from the changing tent to the kayak depo is marked with blue arrows.* You have to place the race numbers in the kayak depo and put it on before the kayak start (*during the kayak and bike the race number is on your back during the running in the front*) After the kayak part you have to put your kayak and paddles

back into the kayak depo and run on the beach (in the shallow water) to the same chip control point as for swimming end (marked with blue arrows on the map) and then to the changing tent. You have to put your kayak equipment (if you have, except paddles) eg shoes for kayaking or hat, in a bag and put the bag into collecting place!. Both bags will be transported to Nagyatád and you can collect it there after the race (together with the after race bag you have to leave in Nagyatád on Friday or in Gyékényes on Saturday!).

In the bike depo you can only leave your helmet and your bike shoes (fixed on the bike). All other things also the bike shoes if they are not fixed on the bike! have to be placed in the changing tent in the bike bag.

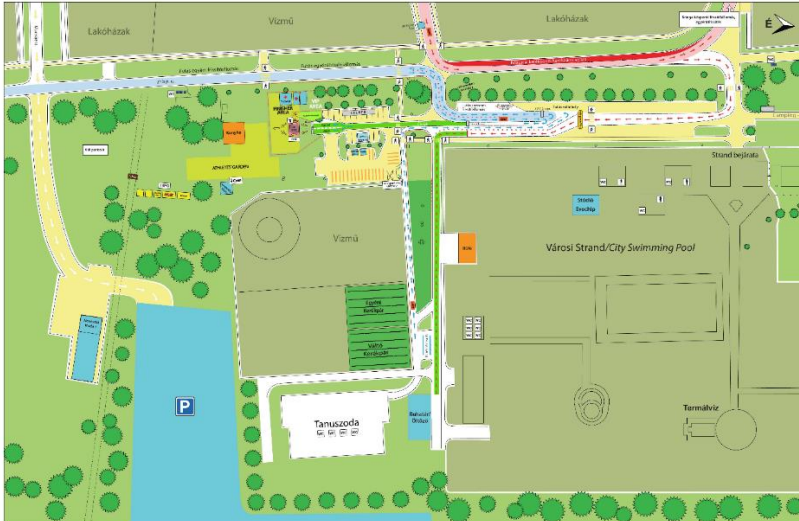

Bike course:

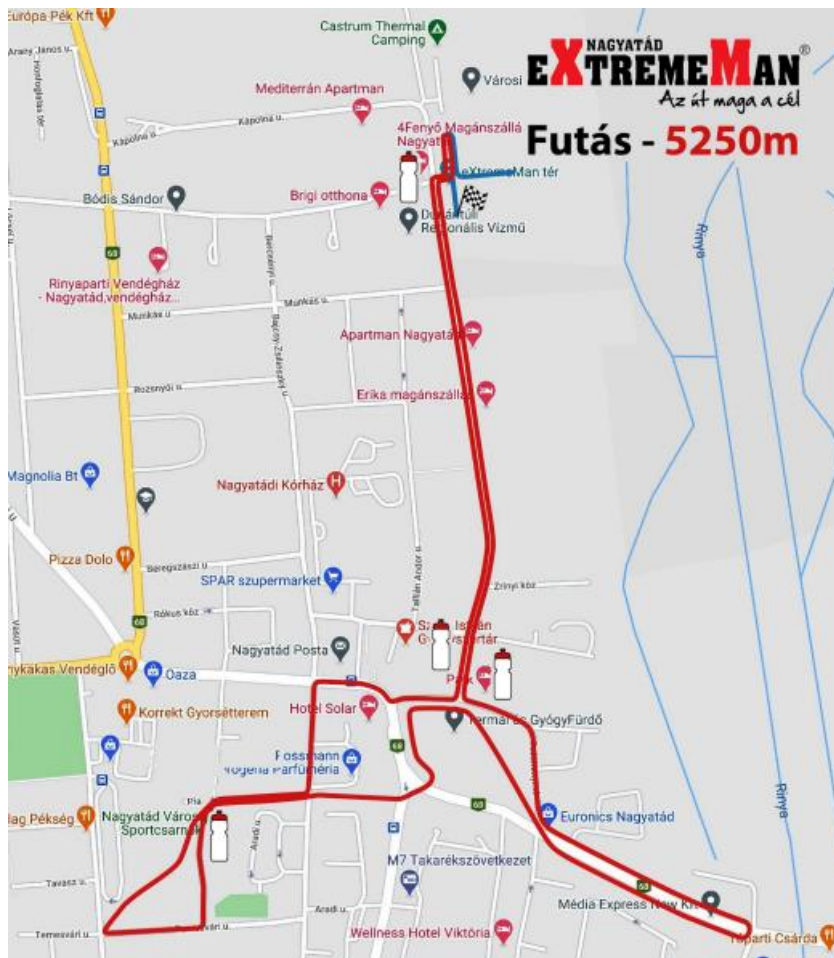

Transition Nagyatád:

If you come by bike be careful and not to go to further rounds (it is for Ironman!) Go directly into the transition zone (Marked with red arrows on the map – turning right at the end of the street!). After disembarking from the bike follow the corridor - until the intermediate bike storage – and place your bike there (your bike is put to the final place by the organisers). Go to the changing tent and collect your run bag. Put your shoes on and continue on the running course (marked with blue arrows on the map).

Running course:

Refreshment

Refreshment after swim, on the sailboat during the kayak course (only water), after kayak, on the bike route, in the race centre Nagyatád, on the running course (4 refreshment points each lap).
